I WAS SO HAPPY ABOUT THE SUDDEN PROPOSAL, AND YET
A LITTLE BIT OF UNEASINESS IS FILLING ME.
WHAT SHOULD I SAY TO MY MOTHER?
WHAT DO I WANT TO DO?

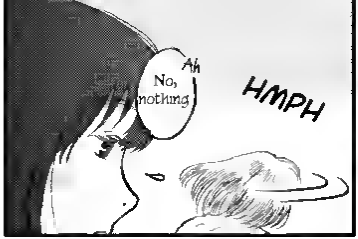
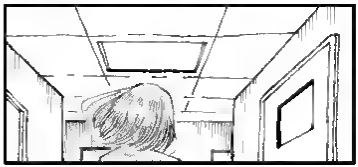
Saki, the volume just got delivered from the client.
As expected of a regular employee to be.
The client was pleased.
They liked your translations
Wow...
Hey, Beast-wad.

I'M GLAD I GOT ACKNOWLEDGED BY THE COMPANY AND WILL GET WORKING VISA TOO
GOOD THING I TRIED MY BEST
AND I WANT TO CONTINUE DOING IT FOREVER
I FOUND SOMETHING I WANT TO DO,
AND MET THE JOYS OF TRANSLATING.
WHEN I FOLLOWED ANNA, I STUDIED AMERICAN ABROAD
I'm really grateful
thank you about the regular employment
Um, Carol,
Ah, boss..
Were you in the Hollywood shopping mall last weekend?
It's nothing

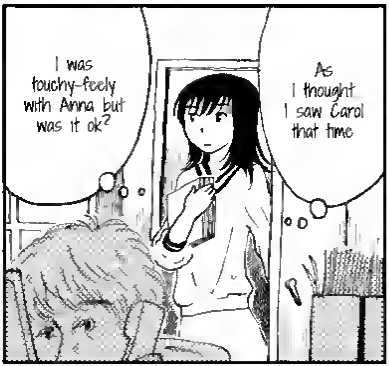


Ah
No, nothing
HMPH



I was...
What's with that?

She hasn't noticed?



I was touchy-feely with Anna but was it ok?
As I thought I saw Carol that time

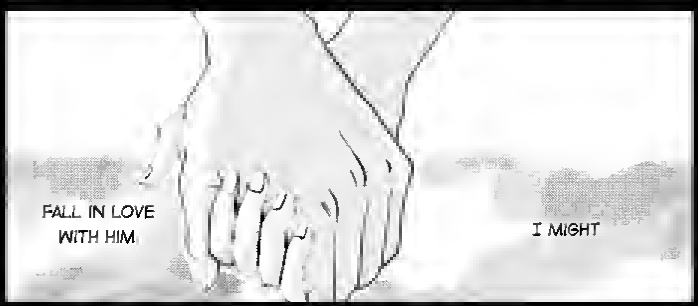
IF EVERYONE KNEW I'M MARRYING ANNA
WHAT WOULD THEY THINK?

We'll have a mixer with guys from Soda.
Really? I'll tell you the place when it's decided.
Yeah.
But Emy said
Hear!! She's not like that..
She's interested in boys.
I DECIDED TO GO TO A MIXER
BECAUSE I HEARD THE RUMORS
Geh.. no way!
Saki and Anna-senpai
seem suspicious..

YOU'RE WRONG.
I JUST...
LOVE ANNA, ONLY HER.
There are girls who admire their senpais,
but I don't think there are girls like that.
Do all-girl schools really have lesbians?

HE MIGHT BE DIFFERENT FROM THEM.



SURELY, IT'S OK

SAKI AND ANNA-SENPAI SEEM SUSPICIOUS
N-No, it's nothing.
I'm healing.
My fatigue is disappearing.
Ah, I'll make dinner.
Saki...
Stay like this for a while.
Tell father my best wishes, bye

ANNA STRAIGHT-FORWARDLY DEMANDS ONLY ME
CAN I TOO, LOVE LIKE ANNA?
WHY_ AM I_ LIKE THAT?

Sean's home.
Rena and Saki's home.
Are you lost?
Drunken Rabbit
But really...
maybe I'm lost a bit now.
Me too.
Should I have red wine or white wine for supper?

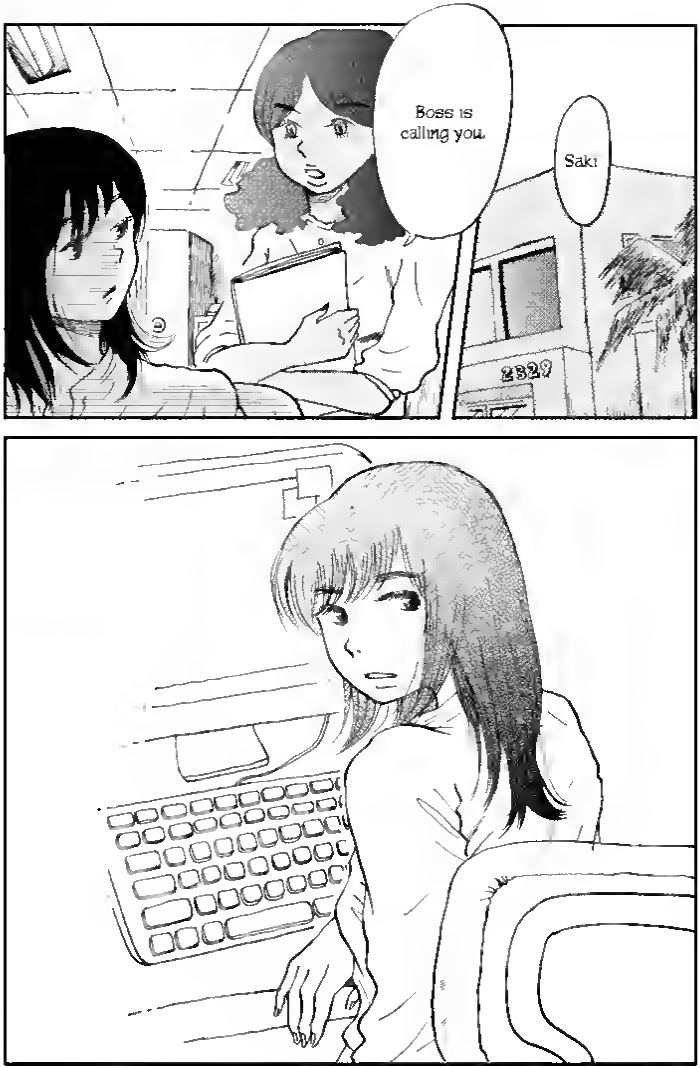
Mm, feels good.
If you have something to say then tell it
to the sky
When I was in Japan, I was always concerned about surroundings and couldn't tell anyone about Anna.
I thought I'll change if I go to the USA but even now the me of that time appears sometimes...
I hate that 'me' and still..
But you know..

It might not be pointless to stand still.
It's better than moving forward in a hurry and overlook anything and everything.
Well, it's a second-hand knowledge, though.
If it's Saki, then you'll be fine.
You'll find yourself in the end.
If I become lost once more, maybe I'll ask the sky again.

It's not pointless, right,
Brian?



Boss is calling you.
